INTRO

You're learning to love, your inner slut.

VERSE1

And the face turns white as the head rolls back
and you push in forward, for a closer look.
And the dreadful gap between each love
and the stone cold silence of trendy clubs.
And the snapping tear of modern fabric.
And truant hearts are willing magnets.

CHORUS

Gaping entrance, please come in.
Learning to love the slut within.
Notch your belt each place you've been.
Learning to love the slut within.
Cut your teeth on rusting tins.
Learning to love the slut within.
Antibiotic proof of concept, we're learning to love the sluts among us.

VERSE2

Gather your stuff and risk the entry, dare to make the cavern jump.
Strip your body down, and when the strap is coming on - meow.
Say, feline barter, words for tender, you've been chewing something stylish. And,
prowling carnivores besides, I've never seen such cunning mileage.

BRIDGE1:

Forget it - it's in you - reject, hit! - it's magic.
Surrender, remember, these diamonds, sweet sirens.
Moan ferro, hot copper, bit bottom, get down there.
Beautiful hitched up creature, taste the genius, smell the tea leaves.

BRIDGE2:

Suffer the action - you feel the touch - stoking the fire - you feel that much.
Slattern for hire - your history cuts you - flaming desire - your inner slut, yeah. (x2)

CHORUS

Ladies and gentlemen, please come in, we're learning to love the sluts within. You,
notch your belt each place you've been - you're learning to love the slut within.
Cuz you cut your teeth on rusting tins - learning to love the slut within.
Antibiotics, proof of concepts, we're learning to love the sluts within us.

BRIDGE2/CHORUS MELD:

Suffer the action - you feel the touch Learning to love the slut within.
Stoking the fire - you feel that much. Learning to love the slut within.
Slattern for hire - your history cuts you Learning to love the slut within.
Flaming desire - your inner slut, yeah. Learning to love the slut within.
(x2)

CHORUS OUTRO

Yeah - we're learning the sluts within.
We're learning to love the sluts within - yeah!
We're learning to love the sluts within us.

Original lyrics/music are represented, but song has undergone radical changes and editing via the remix by Releveler

Em Em G Am (bass neighbour up to Bb)
