These fine feathers lost their wings.
This old plumage looks neglected.
These grand tail feathers fan.
This wingspan found the ocean in the land.

La la la, hey hey hey...

CHORUS

The game's not on cuz the players went home.
And the game won't go if the players don't throw and...

This old room is growing smaller.
Years of listening, walls grow tired (and sleep).
The shadows can't grow any longer now.
Their textures multiply and lovingly entwine.

La la la, hey hey hey...

CHORUS

The clouds withdraw without a warning.
Sun shines through a tiny stained-glass window.
Only love on Sunday morning.
Only truth on Sunday afternoon.

La la la, hey hey hey...

CHORUS

Don't ever lose your wings...

[Scratching/synthing chaos instrumental]

These fine feathers lost their wings.
